EMPLOYEE COMPENSATION

Illinois Public Act 97-0609 and Employee Compensation

In 2011 Public Act 97-0609 became law, effective January 1, 2012. That Act amends the Illinois Open Meeting Act and the Illinois Pension Code and establishes new requirements for Illinois public bodies. For the purposes of the Act, "Total Compensation Package" means "payment by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted, and sick days granted."

Among the law's requirements are the following:

1. All IMRF employers must post, within 6 days of the approval of a budget, the total compensation package for each employee having a total compensation package that exceeds \$75,000 per year.
2. Any IMRF employer that approves an employee's total compensation package equal to or in excess of \$150,000 per year must post on its website, at least 6 days before the approval, the total compensation package for that employee.

The Village of Glen Carbon exceeds the requirements of the Act by providing information for all employees regardless of compensation amount or IMRF status. The "1) Salary & Compensation" column includes annual salary/wages, longevity, and other contractual stipends. The "2) Benefits" column includes medical, dental, vision, life, pension, and other employer paid expenses.

The information within this report is based on projections for the period January 1st, 2023 through December 31st, 2023. All information is subject to change.

Respectfully Submitted

Kelly Korte
Director of Finance
Village of Glen Carbon, IL.
